

Memory Support

Below are recommendations to help your body achieve and maintain optimal health. Please seek the advice of a qualified medical professional before introducing any recommendations into your current regimen. If you take any medications or other supplements, ask your health care provider about possible interactions before taking any PURE products.

NOTE: PURE Products should be taken at least 1 hour before or after prescription medications.

❖ **ALL** Core and Daily Basics Products are recommended for general health purposes.

Core: Liquid or Capsule Cleanse, Go-Yin, Daily Build.

Daily Basics: Alkaline Water, Mila, Probiotic, Greens, Sulfur, and CalciuMK+.

The following products are recommended for Memory Support:

Core:

- **Liquid or Capsule Cleanse** – Promotes healthy bowel activity and the elimination of toxins from the body.
- **Go-Yin** – Contains a proprietary blend of superfruits, herbs, and other fruits that have been traditionally used to help bring the body into balance and enhance overall well-being. Balance in the body is important to maintain a healthy weight.
- **Daily Build** - A liquid multivitamin, such as Daily Build, may help fill the gaps in our diets caused by poor eating habits or depleted food sources. Daily Build contains eight carefully crafted PURE blends including superfruits, greens, sea vegetables and botanicals, and is designed to provide you with the vitamins, minerals, trace minerals, amino acids and other important nutrients your body needs. One serving of Daily

Build delivers 23 essential vitamins and minerals, which offer a unique role in maintaining health.

Dailey Basics:

- **Probiotic** - Promotes healthy digestive flora, healthy immune function. Targets both the upper and lower GI tract.
- **CalciuMK+** - Calcium is essential in the human body for building strong bones and facilitating healthy communication between the brain and certain parts of the body. The body also uses calcium to help blood vessels and muscles contract and expand to secrete hormones and send messages through the nervous system.
- **Organic Sulfur** – Sulfur may help with swelling and pain in connective tissues and joints. Sulfur may also help support the making of collagen, the main supportive protein of tendons, cartilage, connective tissue, and bone. Sulfur also may improve flexibility and mobility by promoting joint function and health. May help promote healthy hair, skin, and nails. Older adults may especially benefit from Organic Sulfur due to an inadequate intake of protein, as MSM provides sulfur-containing amino acids.
- **Mila** – Mila is created using a blend of different crops of chia seed to maximize nutritional density. It is a good source of dietary fiber and natural occurring insoluble digestive fiber. Mila is high in Omega-3 fatty acids which play a crucial role in normal growth and brain function.

Support:

- **Goji** - Historically named the “happy berry” because of the sense of well-being one feels after consumption, Goji berries have been recognized for centuries in Asia for their high nutrient content, carotenoids, essential fatty acids, and powerful antioxidant properties. As a natural source of

vitamin C and polysaccharides, Goji provides nutrition to help support healthy functions of the immune system. Goji is also is a source of carotenoids, including lutein and zeaxanthin, which may help enhance eye health.

- **Acai** – Is a powerful antioxidant. Genesis PURE packages this superfruit with no added sugar, maximizing the benefits of this powerful fruit. Acai also has the added benefits of essential fatty acids. Essential fatty acids omega-3 and omega-6 are necessary for human health, and must be obtained through the diet because the body cannot make them. They are required for proper structure and function of every cell in the body. They may benefit heart health and play a crucial role in brain function, growth and development.
- **Mangosteen** - Like the other superfruits, mangosteen is touted for its antioxidant benefits, and its taste is beyond compare. Mangosteen superfruits contain xanthones, a unique class of biologically active compounds and powerful phytonutrients that are found in the rind of the mangosteen fruit. Studies suggest that xanthones may promote healthy bodily functions, including supporting the body's natural defenses, neutralizing free radicals and supporting joint function.
- **Noni** - Scientific research has revealed noni to be an antioxidant powerhouse, providing support and promotion of a healthy immune system. Noni is also high in polyphenols, minerals, and other nutritious compounds, including vitamin C and potassium. Vitamin C is an important antioxidant that is

necessary for growth and development and is required to produce collagen, a protein. Potassium is a vital mineral that keeps the body functioning and helps muscles and nerves communicate.

- **HealthTrim 360 Complete Shake** - Staying active is an integral part of a healthy lifestyle; but finding a fast, nutritious, well-balanced meal can be a challenge. HealthTrim® Complete Shake is a convenient, delicious meal alternative that offers essential nutrients. At only 155 calories the complete shake is packed with 20 grams of GMO free protein blends that help support weight loss and curb appetite.
- **GPS Circulate** - L-arginine is an amino acid involved in many physiological functions and helps support maintaining lean muscle mass. Supports nitric oxide, which may help circulation and blood flow.
- **Pure ENERGY** - Looking for a way to clear the morning fog, energize your daily workout, or avoid the mid-afternoon slump? Genesis PURE™ ENERGY is for you! Packed with antioxidants, botanicals and natural sources of caffeine, it's a perfect alternative to sugar-laden, artificially sweetened energy drinks on the market. A single serving helps stimulate alertness, ease fatigue, and fuel your focus.
- **GPS Hydrate** - GPS HYDRATION supports the replenishment of vital fluids, electrolytes, and nutrients lost during exercise. The formula quenches thirst by supporting rehydration of the body and includes a blend of amino acids, carbohydrates, and B- vitamins. Proper hydration is essential for maintaining a healthy mind.
- **Pure Café** - PURE Café is high in B-complex vitamins including Thiamin (B1), Riboflavin (B2) and Niacinamide (B3). B vitamins are important for converting food into fuel; they are also referred to as “anti-stress” vitamins as they may strengthen the immune system and improve the body’s response to stress. PURE Café is also high in pyridoxine (B6)

and B12. Coffee consumption may help boost mood.

*The statements above have not been evaluated by the Food and Drug Administration. PURE products are not intended to diagnose, treat, cure, or prevent any disease. Individual results may vary.
